RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC No. 196 of 12 March 2020
on a public procurement order for centralised purchase of disinfectant agents

The Government

I. entrusts the Ministry of Industry and Trade with the central purchase of disinfectant agents by means of issuing a public procurement order according to the requirements of individual departments on the basis of the provisions of Section 29 (c) of Act No. 134/2016 Coll., on Public Procurement, as amended, outside of the issuing procedure;

II. orders the deputy prime minister, minister of industry and trade and minister of transportation to ensure the compiling of individual departments’ requirements and issuance of the above-mentioned public procurement order.

Executed by: deputy prime minister, minister of industry and trade, minister of transportation

Ing. Andrej Babiš, Prime Minister
