

CZECH REPUBLIC

150 years of Advanced Manufacturing Excellence

Visit the CZECH PAVILION at Advanced Engineering 2015

Come and meet CZECH SUPPLIERS who can deliver your sourcing needs

Networking Drinks Reception * Wednesday 4th November at 4pm, stand F10

AROJA

- One purpose Machines & Production Lines
- Automation
- Tooling & Jigs
- OEM & Assembling Services
- Engineering

www.aroja.cz

BUZULUK

- Piston and Sealing Rings for Petrol/Diesel Engines, Compressors & Hydraulic Systems
- Castings & Machined Castings
- Assembling
- Reliable partner based on years of tradition and experience

www.buzuluk.eu

COMPONENTA PERFECTA

- Advanced Engineering for Aerospace, Motorsport & Others
- Hi-tech, Know-how, Quality Control & Effective Process
- Mazak & Mori Seiki machines, ERP system

www.componentaperfecta.cz

CZ CHAINS

- Traditional and Experienced Manufacturer for Automotive & Engineering Industries
- Metallurgy, Iron Foundry, Roller & Bush Chains, Machines
- Excellent References from GE, CZ, IT, FR Automotive Sector

www.czretezy.cz

FOLLER

- Manufacture of Pultrusion Machinery & Equipment
- High Energy Efficiency & Long Life Cycle
- Hi-tech Solutions, Product & Tooling Design, Prototyping & Testing

www.foller.biz

HIC & CO

- Growth of Large Surface Area Sapphire Monocrystals of all Optical Qualities & Orientations
- Unique growth using HDS method
- In-house custom-made growth equipment

www.hic-sapphire.cz

PBS VELKA BITES

- High-speed Turbine Machines for Aerospace, Power & Transport Industries
- Precision Castings, High-tech Machining of Metals
- 200 years in business

www.pbsvb.com

ROSTRA

- Design & Production of Stamping Tools for Sheet Metal Parts
- Stamping of Sheet Metal Parts (carbon steel, stainless steel, aluminium)
- Engineering Support in Parts Development

www.rostra.cz
