CzechInvest statistics for 2016-2019: Numbers of supported start-ups – foreign business residencies

In period 2016-2019, ninety-nine Czech startups travelled abroad with CzechInvest, some even repeatedly. CzechInvest supported them in a total of 181 business residencies. Though other start-ups travelled abroad for the same purpose at the beginning 2020 prior to the outbreak of the coronavirus pandemic, the statistics below do not take them into account.
